Google Workspace

The logo for Google Workspace, featuring the word "Google" in its signature multi-colored font and "Workspace" in a dark grey sans-serif font below it.

“Google Workspace has been designed to help people transform the way they work via smart business productivity and collaboration tools. It offers everything you need to get anything done in one place. It comes loaded with all the productivity apps you already are familiar with : Gmail, Drive, Docs, Calendar, Sheets, Slides, Meet, and many more. It is one of the best email and productivity solutions in the market that allows its users to create, communicate, and collaborate swiftly and seamlessly.”

Google Workspace includes several tools for enhancing collaboration, teamwork, storage, and security.
