Authentic Cow Dung Made Products

We are very Happy to introduce our products with you!

The Motive of our products is purely to preserve Mother Earth and our very own HOLY COWS.

Let us tell you the composition of our products is only the COWDUNG along with the extra organic materials. Some of the benefits of our products are :-

- We need not mention the numerous benefits it gives to our planet.
- Along with it the trading of cow dung helps farmers with an extra source of income.
- These products if at all broken can be used as one of the best Manure.
- Immersing these products (Ganesh idols) in water provides cleans them and also provides best food for the aquatic animals.
