- Integrity - We are consistent in our thought, speech and action.
- Trusteeship - We protect and enhance the interests of our customers, community, employees, partners and shareholders.
- Humility - We aspire to be the best, yet strive to be humble.
- Performance - We strive to achieve market leadership in scale and profitability, wherever we compete.
- Resilience - We aspire to build businesses that anticipate, adapt and endure for generations.

# About Us

**Goals:** Increase the assets and investment of the company to support the development of Nation. To build good reputation in the field of Export- Import and have substantial presence in the industry to be known worldwide

**Scope:** We are eminent Exporters and Importers. The company undertakes all maintenance duties for Import Export and domestic facilities and organizations and conducts all the security and surveillance for the trading. Products offered by us are procured from certified manufacturers to ensure their high quality standards. We are buying agents to our customers by offering them a qualitative range of products.

In our organization, we strive hard to full fill all the demands of the clients timely. To meet the requirement of our clients, we procure high quality products from certified vendors. The products are stored in our warehouse that is equipped with all the facilities. In our infrastructure, we have a quality control unit where in the entire range is checked under the guidance of our skilled personnel.

# About Us

**Diversification:** Our founder believed in – ‘Diversification leads to Growth’ and our company truly believes and follows the same. Commencing business from Export-Import, we moved towards textile industry – Uniforms for all types of industries (educational institutes, corporate companies, hospitals etc), Iron ore Mining, one stop solutions for interiors and architects, aluminum casting, packed ready to drink fresh fruit juices, FMCG products, E-commerce (First ever online portal for Duty Credit Scrips)

The dexterous team of our company is planning to take a grip over the European markets. Further the skilled team of our company is updated with the changing requirements of the industry and works hard to expand business by dealing in Electronic Goods, Precious Metal, Steel, Rubber, Garments etc.

**Career at R.B.SHAH:** We Endeavour to build long-term partnerships with our employees by enriching our culture. We thrive in a culture of respect, inclusion and diversity. At R B Shah, we have made a conscious effort to build an equitable environment and a diverse leadership team. We have always been a pioneering and enlightened employer. We recognize that our people give us the competitive edge. We actively work against stereotypical biases to encourage a culture of meritocracy. We are known as one of the favorite employer in our field.

# About Us

**Internship:** With our fundamental motto in mind - "Swimming can't be learnt in a classroom", we at R B Shah have strived to make our internship programs the most coveted ones in our own premises. Our Internship Programs offers a three-month stint wherein students are chosen from pristine business schools of India and get a chance to gain hands-on experience in variety of fields. With the help of this internship program, students brimming with passion, high motivation, and creativity, acquire an opportunity to work on live projects with business impacting outcomes. Subject matter experts are assigned to them as Dedicated Mentors so that they gain exposure to real business scenarios which also simultaneously works in our favor as we receive fresh perspectives on live projects of the company. In this period, we do a symbiotic exchange wherein we encourage the interns to shift their mindset from campus to corporate while harnessing their learning from the campus to our organization.

**Women Empowerment:**We at R B Shah strongly believe in women empowerment and consist of more than 50% of female employees.
