

Elevators Technologies.

Advance Technologies & High Level Solution.

Dear Sir/ Madam,

We have great pleasure to introduce ourselves as well established elevator Maintenance contractor since **1976**. Meeting great challenges we have derived our own Standards & quality.

We have proved ourselves with a force of experience & skilled Engineers, equipped with modernized equipment to maintain elevator in a very efficient manner. We are quite sure to change your view of standards of servicing & of taking the preventive maintenance to save your lift & life from any problem. With vast experience in maintenance of all brands of elevators, company Started installing its own make of elevators with the brand name "BRIGHT",

How are we different from others ?? !!

We do not clam to be a **MANUFACTURE** of any of the products. But what we do is use best of the Indian manufactured & exported products in our installation.

Our Special Service Features:

- Service available throughout the year.
- Calls attended in less time as our force is equipped with mobiles & two wheelers.
- Dedicated person in each areas.
- Personalized supervision & feedback from the client, to rectify every minute complaint of our clients.

Our Products.

- Passenger & Car & Goods & Hospital Elevators.
