## Brilliant Testfabrics India

*Helping you to make colors perfect*

Manufacturers, Processors & Developers of **Textile Testing Materials**

**Ahmedabad**:- A/901, Parshwa Tower, Nr. Shyamal Char Rasta, Satellite Ring Road  
Nr. Jivraj Metha Bridge, Satellite, AHMEDABAD - 380 051. (Guj.)  
Tel:-2677 9364. Cell; 98240 91517. E-mail:- btfajay@gmail.com

*COMPLETE SOLUTION FOR ALL YOUR TEXTILE TESTING MATERIALS*

**Cotton-Viscose-Wool-Nylon-Silk-Polyester-Cationic-Acetate-Acrylic-etc**

Also **AATCC, SDC, ISO** Testing Materials / **Multi fiber**

Definitive Source of PFD & PFP for testing Dyes, Pigments, Auxiliaries, Detergents, Chemicals etc

*The only name for all your textile testing materials*

**The Quality Makers**

Sir/Madam,

The most trusted name in the field of textile testing materials for over almost 42 years and continuous production and consistent delivery performance of Textile Testing fabrics in daily use throughout the industries. We design and produce India's first textile testing products in response to the needs of present Industry.

As a **producer of Dyes**, Chemicals, Pigments, Detergents, Auxiliaries, Textiles and their components, you are most certainly familiarly with the **critical problems** like Quality, Fastness, Tones, lot to lot variations, Constancy supply of your products. Whatever the activities you have, R & D, Quality Control, Analysis, Introducing new products, Routine tests, Shad-cards, presentations etc, ***we can help you by offering you our TESTFABRICS.***

*We are glad to introduce ourselves as a **Manufacturer, Developer & Processors of YARNS, FABRICS, TEXTILE TESTING INSTRUMENTS**, which are being used in the field of Dyestuffs, Textile processors, Pigments, Auxiliaries, Detergents, Garment Industries, Research & Developments , Textile Colleges , Application laboratories etc*

**We offer YARN & FABRICS in Cotton, Viscose, Wool, Silk, Nylon 6 / Polyamide 6.6, Polyester-Blends P/V / P/C & P/W, Acrylic, Acetate, Cationic, Linen, Jute, Etc.**

**We also offer you special products like:-**

- Multifiber ,
- Standard Adjacent Fabrics for use in AATCC / ISO test methods,
- Grey Scales, Chromatic Transfer Scale 9 steps,
- CROCKING (RUBBING) CLOTH & SQUARES. 5 cm x 5 cm , 5 cm x 10 cm,
- Pantone Shad cards, Standard Depth,
- Blue Wool Light Fastness Standards,
- 1993 Standard Reference Detergent With / Without OBA (WOB) ,
- ECE Phosphate B/ Non Phosphate A Reference Detergent FBA Free,
- IEC Reference Detergent (B)/ Non Phosphate A With OBA,
- Soap Powder FBA Free, Clorox II , Perk Sheen,
- TAED – 92% ( tetraacetyethylenediamine) ,
- SS Balls 6mm , SS Disks , Perborate Sensitive P1 / Insensitive P2 ,
- GSM Cutting Blades / Pads ,
- Yellowing Test kit, SS Balls 6mm,
- Thermo paper textile strips, Curve scissors,
- Template plate, Shrinkage Scale,
- Make weights, Standard Depth Polyurethane Foam SM 28,
- IWS Pilling Photographs (Woven Fabrics) SM50, (Knitted Fabrics) SM54, Wool ballast SM67
- Texpen, ICI Pilling Tubes ,
- Tuber for Colour Matching Cabinets. etc

**We provide more labour saving service like cutting, slitting & preparation of test specimens (Fabrics)**  
**We offer all our yarn & fabrics in readymade hanks/ pieces of 0.5/1/2/2.5/3/4/5/10 grams.**

All hanks are each weighted on digital electronic scales so as we can assure all the hanks in a packet are of same weight.

We maintain an inventory of yarn & fabrics specifically prepared for ready to dye. The products are not on loom stage or raw, they are desized, scoured, bleached where applicable, & with No Optical brightening agent and no Finishing agents. They can be dyed, printed & made to color fastness using proper technique. *These fabrics/yarns are available in small orders.*

Since you are one of the best manufacturers, we look forward to working closely with you and on this exciting new line of products. Please contact us with any questions or for more information. We hope you will like to use our products for testing your quality products. Feel free to call us for samples /discussions.

You can call us at Mr.Ajay on 98240 91517.

Thanking you, we remain

For **Brilliant Testfabrics India**

AjayShah

*The only name for all your textile testing materials*

## Product Guide

**We offer YARN & FABRICS in Cotton, Viscose, Wool, Silk, Nylon 6 / Polyamide 6.6, Polyester-Blends P/V / P/C & P/W, Acrylic, Acetate, Cationic, Linen, Jute, Etc.**

<b>Code</b>	<b>In Cotton, We offer</b>	<i>pecially used for</i>
1. Style /151	<b>Cotton Standard hank</b> (Available in 2.5/5/10 grams)	Dyeing
2. Style /152	Cotton Mercerised Hank	OBA /Shad Card
3. Style /101	<b>Cotton Standard fabric</b> .(Also available in 2 / 2.5 / 5 gm pics)	Dyeing / Shade Card

Dear sir /madam,

We Serve many companies, Institutes ,Industries in the field of Dyestuffs, Pigments, Auxiluries, Detergents, Food color company ,Textile research Centers-collages-university –Faison –Art/training Center and Specially for the research students doing Ph.D ,B.tech ,Diploma in Textiles,Dyes,Chemistry and Technical Textile Projects /courses.

We offer:

- FIBER ,YARN, FABRIC, UNFINISHED , FINISHED,DYED UN FINISHED
- SPECIAL PROCESSED /DYED FABRIC AS PER REQUIREMENTS
- INDIGO VAT DENIM UNFINISHED FABRIC
- SPECIAL SOIL FABRICS FOR TESTING DETERGENTS, ENZYMES, CHEMICALS AUXILIREIS ETC.

**WE UNDERSTAND YOUR SPECIAL REQUIREMENTS IN INDIA FOR YOUR END USE.**

We from our company, established in 1977 and with a business experience in the field of textiles and visiting countries like France, Germany, Switzland, United Kingdom, Italy, etc we guarantee you by using our supply with assurance of Quality, Originality, and Prompt Services.

We are one stop Solution for all your technical textile testing materials with you full satisfaction of QUALITY

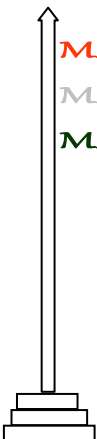

We are your imagination of your requirements, we are here to supply you your dream products.

We have passion to serve you for all your technical textile products

We are the first choice of leading company.

We are

Because we believe

**MADE IN INDIA**  
**MADE FOR INDIA**  
**MADE BY INDIAN**
