

• The Story

Our story began in 2011. Back then we were roadster and service provider of Continuous ink jet printer with a single area of the market. Now we are manufacturer of CIJ & Laser printer.

Today, we are privileged to connect with hundreds of customers everyday with exceptional products and more than 3 branches. Today Radhe Enterprise is fastest growing company engaged in providing total service & consumable supports to all users of inkjet printers like **Markem Image, Domino, Hitachi, Videojet & Willett**. We are having head office at Rajkot(Gujarat) and branch offices in Ahmedabad, Surat and Kutch. Recently we have started our own manufacturing of **RE-JET** (continuous ink jet printer) & **RE-TECH** (laser printer).

• Folklore

Our logo is inspired by the globe of earth-featuring twin – tailed siren from Greek mythology.

• Mission

Our mission to inspire and nurture the human spirit-one person and one neighborhood at a time.

• Our Products

We've always believed in serving the best product possible. It's our goal for all of our products to be grown under the highest standards of quality, using ethical sourcing practices.

The quality of our consumable and service conforms strictly to the highest global standards and this is borne out by the ever-increasing satisfied customer base. We also provide original spares. We are also selling new inkjet printer machine, laser marking machine, TIJ printer and TTO printer for the increasing demand in this batch coding industry.

• Technical Strength

A team of highly qualified and experienced technical personnel is in the place at Rajkot, Ahmedabad, Surat and Kutch. We are having highly skilled professional trainers, who can train our distributors service staff.
