

FLIKERBET.COM

www.flikerbet.com

If you're smart in predicting who's going to steal the show, you'll make immense profits at Flikerbet.

.....
Flikerbet has brought a Golden opportunity for you where you can combine your love for sports with your want to make money

Flikerbet has a very powerful business plan which makes it possible to make huge profits applying your instincts and predicting the outcomes

Let's see the business plan of

Flikerbet

At Flickerbet

All the transactions are done in Points and not in actual currency to make it less confusing for people across different countries.

You can create your account and generate your ID for a minimum of 50 points.

Out of which 30 points are credited to you instantly for playing. The rest of 20 points are further divided into equal halves, the former half is distributed upto three levels in the ratio of 5:3:2, the latter half will be distributed as per direct binary income.

Note- 50 points is the minimum points required to generate an ID, you can do topup the same with any number and have full value of points.

Now, let us look at the Types of Income that Flikerbet provides you with

DIRECT INCOME-

Get rewarded 5% Points of directs You introduce to FLIKERBET (only top up points)

Also Get rewarded 2% of the daily Returns on Points of directs you introduce to FLIKERBET

You also get 1% of Total playing points either he wins or loses.

MATCHING BONUS-

Matching bonus is also 5% which operates in a binary function, it means that you only get the matching bonus when there is a matching points on both the right and left leg of your business tree.

In order for you to be eligible for the matching bonus a bare minimum of 500 points should match and also the parent ID must be worth at least 200 points at that instant of time.

Flikerbet

As An Points Locking Option

For all those safe players Flikerbet also has Points Locking option in which you do not play, you do not take risks, you lock your points with Flikerbet and you get a handsome Return on your Points

10% Return on points /Month will be credited per working day.

WITHDRAWAL-

Minimum withdrawal is 20 points which can only be withdrawn on any day any time.

LIMITS ON BENEFITS-

- If you've done Sale of 100-900 points you'll be entitled to benefits of Returns on Points upto 19 months.
- If you've done a business of 1000-4900 points you'll be entitled to benefits of Returns on Points upto 20 months.
- If you've done a business of 5000-9900 points and above you'll be entitled to benefits of Returns on Points upto 21 months.
- If you've done a business of 10000-20000 points and above you'll be entitled to benefits of Returns on Points upto 22 months.
