

Kapadia

Multispeciality Hospital

— Division of Divine Hospicare LLP —

Welcome to Kapadia Hospital a fully equipped, multispecialty hospital with the latest medical technology backed by well experienced surgeons, Offers a wide variety of procedures & services for men & women of all ages.

With joint efforts of eminent General surgeon (Dr. Rajan Modi) & Anaesthetist (Dr. Neeta Modi) this establishment

- First to establish and develop the first exclusive surgical centre in suburbs of Mumbai i.e. Goregaon.
- Hospital established in 1987.
- Reputed for its quality care Emergency services & surgical centre.
- Hospital was set up with a holistic approach towards patient care based on ethics, quality care & professionalism backed by affordable prices.
- It prides itself on quality in terms of design, patient care, highly experienced consultant doctors, greatly skilled paramedical and general staff & infrastructure facilities with latest technology.

With the success of the first centre and demand of people another two new centres have been launched as part of the Kapadia Hospital.
