Who We Are

Shantidoot Surksha Bal, is also known as "SSB", is a part of Shantidoot Group Of Companies which it has been a board for 5 years. Providing dedications and excellence in its service. Our quality security services with highly trained staff enables us to provide our clients with the satisfaction and security they need.

Commitment to Effective Management and Supervision: Shantidoot's Executive leadership recognizes the importance of and has unwavering commitment towards client servicing. An integral part of our innovative management practice is the emphasis on establishing open communication channels with clients, daily contact by our team, close follow-up, exchange of valuable information and knowledge gained from monthly management meetings. **Customer Service:** At Shantidoot we believe that for any organization its greatest assets are truly its clients, hence our commitment to customer service is as strong as it is to safeguarding and protecting our clients' assets. It reflects in our 24/7 Customer Service Centre (CSC), and dedicated Client Relations Manager, a single point of contact, 24/7, for our clients, for day-to-day issues.

Quality Assurance: We believe that "Quality" does not just happen; it is a result of sustained and intelligent hard work supported by a stringent system of checks and balances to ensure consistency. At Shantidoot, through our stringent and ongoing Quality Improvement Process we constantly renew our commitment to excellence. Our centralized system sets the most rigorous performance standards known in the security industry; monitoring and reinforcing our service quality. Adherence to company regulations and client requirements at all levels is ensured throughout:

SHANTIDOOT

SURKSHA BAL

GOALS
