

INDIANS CONNECT

Technology Platform for Social and Business Connection in Communities.

As we all are aware that, businesses have suffered due to COVID, to overcome the negative effects, we would like to introduce our platform, Indians Connect, which is a Technology Platform for Social and Business Connection for the benefit of Club Members, where: -

- Members can list and promote their business among fellow club members and other communities on this platform for **FREE**.
- Members will be able to discuss topics of common interest among fellow members.
- Members can also create a Notice under the notice board section to make announcements and share any relevant information about specific topics of interest like: - Emergency, Share Your Ride, Buy & Sell, etc.

With the help of this platform, members will be able to generate new business opportunities.

Indians Connect Platform is available on the Website, iOS and Android Apps
