

TRIHAWK INDIA

TRIHAWK INDIA Private limited is a 5th marketing subsidiary of TRIHAWK Bur manufacturing company, from Morrisburg, Canada, after Canada, USA, Brazil and Europe. TRIHAWK was established in 1969 under the able guidance of CEO Mr. Gustel Fischer and is currently basking under the glory of its golden anniversary. TRIHAWK is a world leader in manufacturing metal cutting bur and Talon12, the flagship product, has no parallel in the global market. Already sold 100 million burs in last 50 years and still counting.

Trihawk's vision is simple and clear: To be the standard by which all other burs are judged.

TALON12

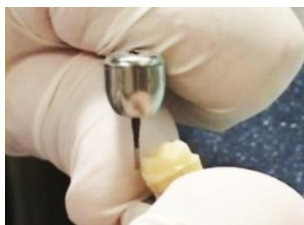

- **TALON12** is a fast Cutting, Chatter free, Universal bur.
- Cuts quickly both vertically & horizontally.
- Perform multiple procedures with the same bur.
- Each bur is individually packed, to avoid contamination.
