Manufactures of All type of ceramic tiles display  
stand for showroom

# Introduction

Incepted in the year 2002, at Morvi (Gujarat, India), we "**Anjani Italian Display Stand**", are engaged in Manufacturing and Supplying a comprehensive assortment of Tiles Display Stand, Floor Tile Display Stand, Tile Slider Stand, Tile Stand and Wooden Tile Stand. Our provided stands are widely used in showrooms for displaying tiles in an organized manner. The offered stands are manufactured using superior grade raw material and ultra-modern technology at our well-established manufacturing unit. Keeping in mind the variegated requirements of our renowned clients, we are offering this wide range of stands in various sizes, columns, designs and other specifications. These stands are widely acknowledged in the market among the clients for their sturdiness, durability, perfect finish and high strength. We are offering these stands to our client's at the most economical price range.

Being a quality centric organization, we give our prime focus toward the quality of the provided range of stands. In order to ensure the quality, the provided stands are rigorously checked by our veteran quality controllers on diverse measures of quality. Our main objective is to exceed the expectations of our patrons by offering them high class stands as per their requirements. Our ethical business policies, easy payment modes, on-time delivery and transparent dealings have made us the first choice for our renowned clients. Under the direction of our proprietor, "**Mr. Kalpeshbhai**", we are able to get the complete satisfaction of our customer. His rich experience and knowledge has helped us to stand ourselves as a unique name in the industry.
