We are Captain Steeltech Company into Bathroom Accessories & Sanitary Wares Trading activities since 1968 and serving the Distribution and retail sector perfectly. Looking at the market demand and development in Bathroom Accessories sector we decided to manufacture the same and into Manufacturing sector since last 5 Years now...

Before entering into Manufacturing we gave lot of thoughts to various design aspects of Bathroom Accessories. In the Process We enquired about the requirements of Customers (End User). Then we asked the wholesalers and retailers about the changes they want to see in Bathroom Accessories..

In next phase we approached Architects, Interior Designers & Builders and got their valuable views on various designs and latest trends...

We kept Aesthetics, ease to use, easy to fit, less maintenance, easy while finalising the design of Our Bathroom Accessories...

Finally we took services of Mechanical Engineers and Best Die makers in the Market and developed Our Products...

After all this lengthy process we came up with EUROLUX Brand and now another Brand called "SWEISS"
