Corrosion Prevention Technology**

ABOUT US

Established in the year 2000, we 'SHANTI TRADING COMPANY' is milestone achiever in the Protective Packing Industry and Engineering cutting fluid . Our product range includes Air bubble film, EPE foam, EVA Foam Sheet, Edge Protector, , Pipe Insulation, Angle Board VCI FILM, VCI POWDER, WATER BASED CUTTING OIL, NEAT CUTTING OIL, WATER BASED CLEANER .etc. The office & workshop is spread over 10000 sqf. area with state of art facilities to carry out fabrication with zero defect quality assurance. All set with contemporary style to cope up with market needs & customer as a prime importance.

Our success so far is result of our dedicated employees working shoulder to shoulder at factory & in the market. Before & after sales service & cost of our product is highly concerned. Our motto say "Customer is Everything". Q.A. and Q.C. is undertaken very seriously & vigorously at our in house Q.C. check department. We understand that unless it is effectively presented and to reach to the end user safely, best of the best product can not be recognized. Here packing material and packing methods is pivoted. We operate in three key segments protective Packing Material, Cold Insulation & Gasketing.
