Success Story

Mr. Bhaskar Rathod, is a Doctor of the Furniture industry who belongs to a town, Gondal. He had started his carrier at the age of 14 with zero balance. He personally served people in furniture industry from last 26 years, running the 4th generation business which started before 113year, the generation, which was basically connected with carpentry field, but with the great passion and knowledge in furniture & Interior world, he is always came with some new inventions and innovation in every work like in society, business, family, all buddies and in the industry, which is always helpful to human comfort.

He is a businessmen as well as a great Interior Designer, he is very much passionate towards the interior designing because he wants that the lifestyle of all Indian people should be upgraded in a way where people can get the latest style with best quality proper comfort and the best cost. The core purposes of his company are very strong.

He started with a first showroom outlet of DREAM DECOR FURNITURE in Jamnagar in the same month he have expanded in other two cities of Gujarat i.e. Bhavnagar & Porbandar and today the company is one of the leading brand in Gujarat, Which is famous for the best style, quality, comfort and cost. He always believes to act with experience, Commitment, Happiness, Innovation, continuous up gradation and improvement which actually became the core value of his company and employees too.

He is a great Implementer for which he is awarded as well and many awards like Best Vision award, Most Promising Entrepreneur, Achieving highest sales, award of honor, Mark of success award, Imperia Award For Innovation in Home Décor Award by Chief Minister Vijay Rupani.

Bhaskar Rathod also successfully achieved a glory of turn-key interior project which is one stop solution for all, Apart from this all he also committed towards the social work since last 7 years where he has an old age home named VATSALYADHAM, 100000 sq. Ft., and a 6crore project, in which all people are treated very well and live with happiness. Apart from this old age home he is also committed for child education project since last 7 years.
